Dear Resident

### **Abbey Wood Station Public Realm Improvements – Felixstowe Road**

From Tuesday 23<sup>rd</sup> April 2019, works to improve the street environment and public realm will start in Felixstowe Road, the works are due to complete in Autumn 2019. These works form part of the Abbey Wood Station public realm improvements which have already transformed the public areas on Harrow Manorway Flyover and are close to completion in Gayton Road.

Vehicles will be able to continue to use Felixstowe Road as normal until mid-June 2019 when it will be necessary to close a section of the road under the flyover and divert the traffic locally for several weeks. Further details will be provided on this closer to the time.

Access to local facilities such as the train station and local businesses will be maintained at all times. Parking will be prohibited in the works area to facilitate construction.

The work will be carried out by the Council's contractor for highway works, F M Conway who can be contacted on **01732 600700**.

We will do everything we can to minimise any disruption. London Borough of Bexley apologise in advance for any inconvenience that may result during the implementation of the scheme. If you have any queries or special requirements, the Council construction team can be contacted on **020 8303 7777**. Please ask to speak with a member of the Felixstowe Road construction team. Alternatively email [engineeringervices@bexley.gov.uk](mailto:engineeringervices@bexley.gov.uk).

Yours faithfully

Highway Services  
London Borough of Bexley
