

News Release

For Immediate Release

19 December 2018 / PR 10864

Thames Road Reuse and Recycling Centre

The Thames Road Reuse and Recycling Centre will be closed from 14 January for essential maintenance. The closure will last approximately four weeks.

The works have been scheduled to allow waste and recycling collections to return to normal following the Christmas period and for residents to be able to continue to use the Centre over the break. Temporary arrangements have been made to open Footscray on Wednesdays during the closure. The closure will not affect the borough's collection services.

During the Christmas period the Council's Reuse and Recycling Centres at Thames Road, Crayford and Maidstone Road, Foots Cray will be closed on Christmas Day, Boxing Day and New Year's Day. Our mini recycling centres throughout the borough are very busy over holiday periods. If the banks are full please take your recycling home, they will be emptied as soon as possible. Please remember to use all your recycling containers at home.
